## 90 Day Money Back Guarantee

We would like to thank you for taking the time to examine our product line. Muscle Car Accessories was founded on the commitment to satisfy the needs of car enthusiasts. We hold the quality of our products and the satisfaction of our customers as our most valuable asset. Muscle Car Accessories strives to provide unique, quality products for the serious motor head to the casual consumer, and everyone in between. All of our products are designed and built in the USA and feature a 90-day money back guarantee.

If you are not completely satisfied with a product from MCA, you can send it back for a full refund. Items must be returned within the 90-day period in new condition to be eligible for a full refund. For replacement orders of damaged or defective products, the product being replaced must first be returned to MCA before the new replacement can be sent. The purchaser must advise MCA that a product is being returned before sending it to ensure that the return is handled properly and a full refund or replacement is given. MCA does not pay for return shipping. This policy does not apply to products sold in scratch and dent sales or special sales.

### Picture Frame Policy

All frames include a 90-day money back guarantee. If at any time within 90 days of purchase from MCA, you wish to return a product, we will give you a full refund with no restocking fee. However, due to the use of glass with this product, MCA cannot offer the 90-day policy for that specific component of the product. If the glass is broken during shipping, MCA will send replacement glass for the product at no charge. Glass broken during shipping must be brought to the attention of MCA within 1 week of when the item was shipped from our facility. After that time period, replacement glass can be purchased from MCA. If an entire frame is returned without the glass, or with broken glass only a partial refund can be granted. The frame itself must be returned in new condition to be eligible for a refund. This 90-day money back guarantee does not apply to custom frames.
